

Resources for Writing Sentences

January 24, 2019

We will learn some sentence strategies to strengthen your writing and to make you a better writer.

Also, I will give topics in class that will enable you to enter some scholarships by the end of the class or at a later date.

Subject-Verb-Object is the basis word order of a sentence in English.

Mike writes the sentence.

Mike is the subject doing the action, writes is the action verb, and sentence is the object (noun or nouns that receive the action).
